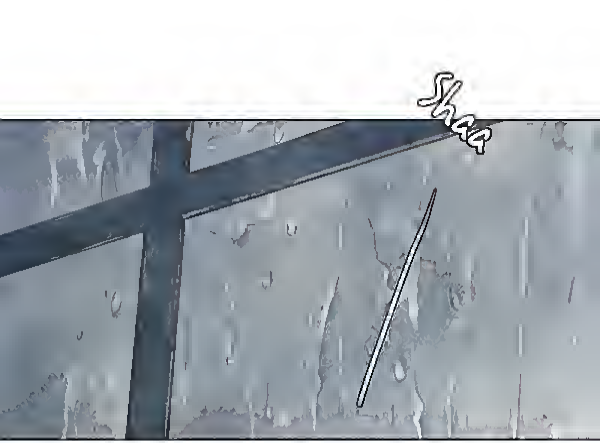
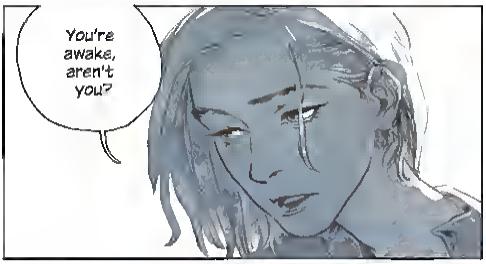
CHAPTER 6

LIAR

Shaa

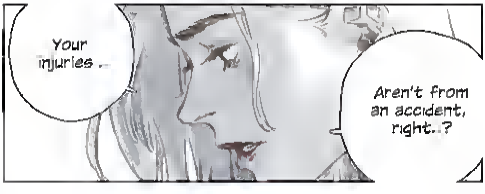


Shaa



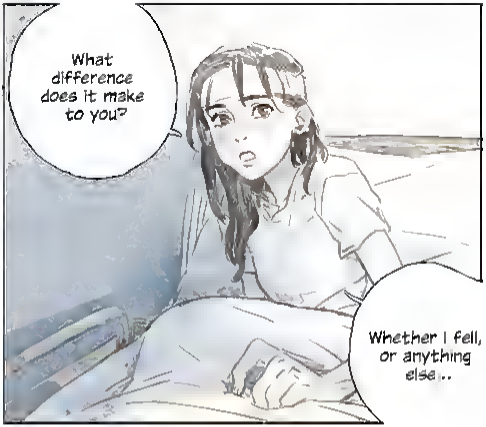
You're awake, aren't you?

Can you tell me now...
What really happened...?

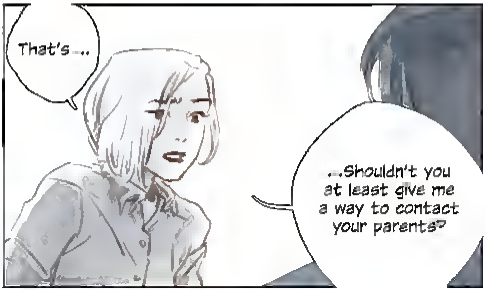


Your injuries...
Aren't from an accident, right..?

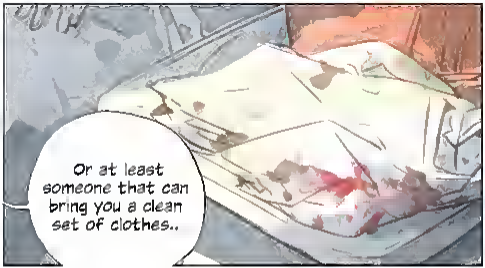
Is this
very
important?



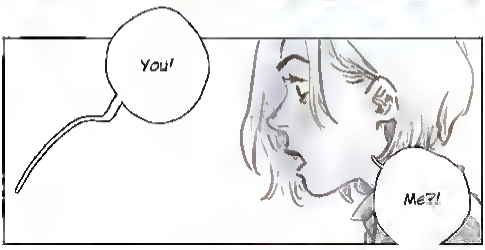
What difference does it make to you?
Whether I fell, or anything else..



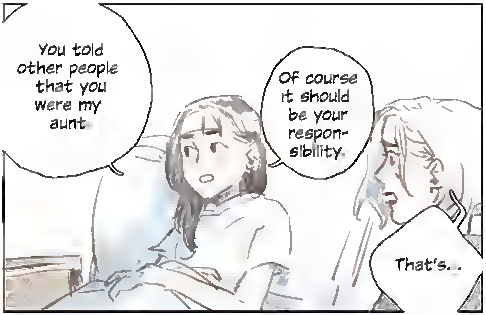
That's...
...Shouldn't you at least give me a way to contact your parents?



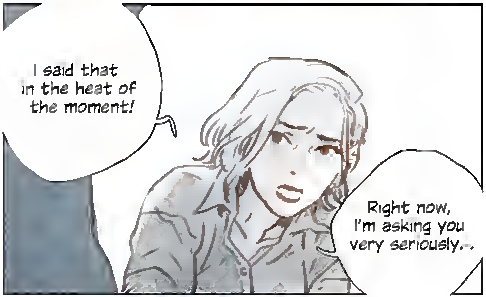
Or at least someone that can bring you a clean set of clothes..



You!
Me?!

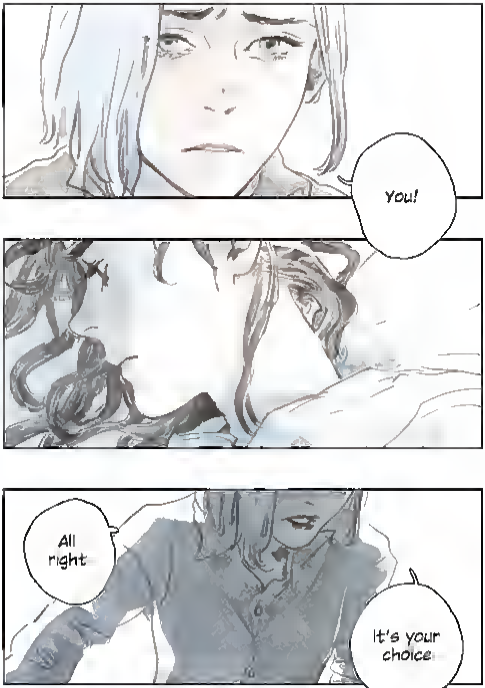


You told other people that you were my aunt.
Of course it should be your responsibility.
That's..

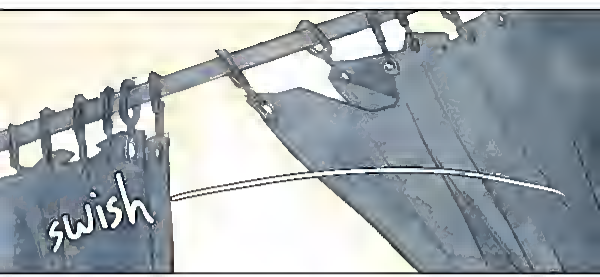


I said that in the heat of the moment!
Right now, I'm asking you very seriously..

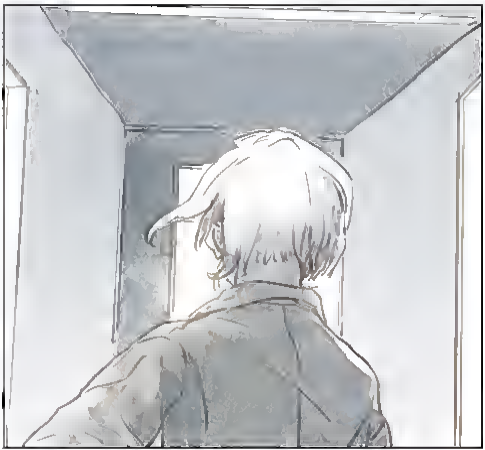
Don't ask anymore.
I don't want to talk about it



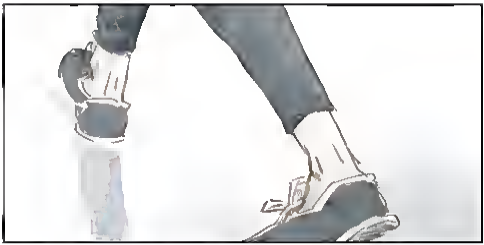
You!
All right
It's your choice



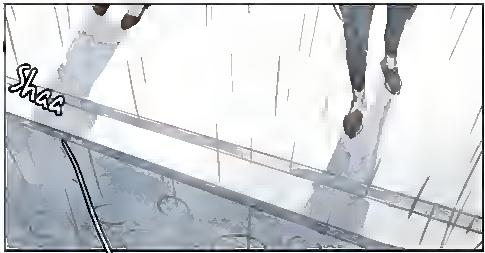
@Jus 五宝



That s right...

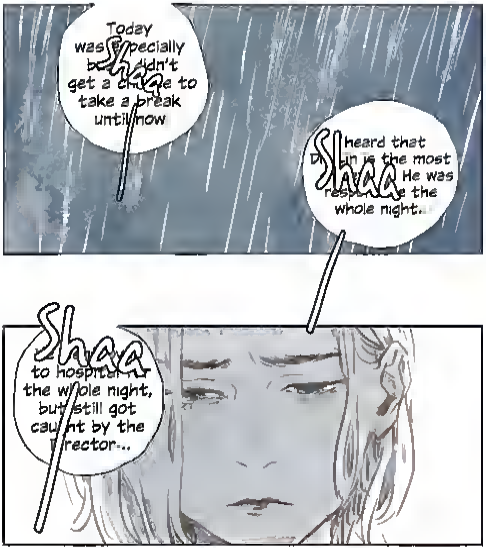


I'm thinking too much about things that don't concern me...



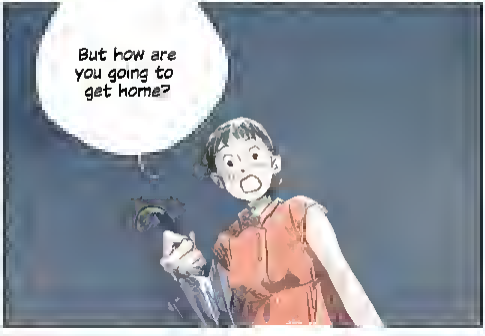
Shaa

Doctor Wei, you're leaving just now too?
I thought you were off duty until the day after tomorrow...
Today's rain is endless...
When I went out this morning, it was still clear, I didn't bring an umbrella!



Today was especially busy. I didn't get a chance to take a break until now
I heard that Dr. Lin is the most He was responsible the whole night..
to hospital all the whole night, but still got caught by the director...

Shaa
Lin's son, he'd have been reprimanded to death
Here!

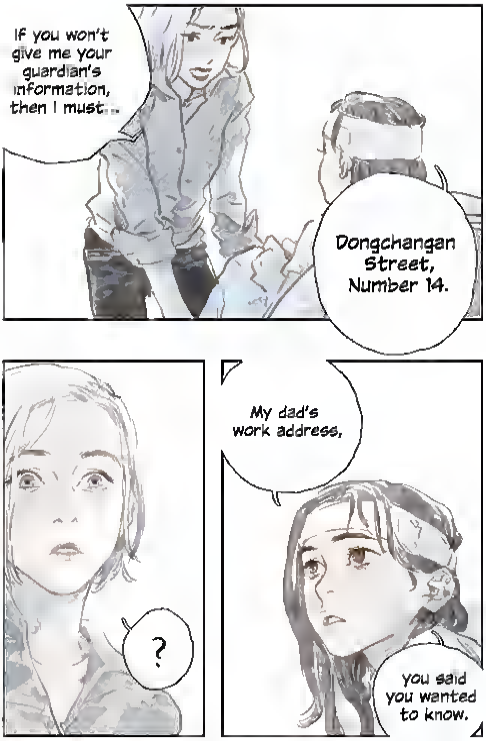


But how are you going to get home?

I'm not going back today!

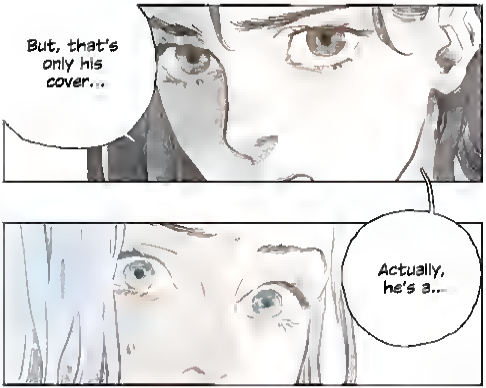
@小五王

Right now, I'm talking to you as a doctor!
We have to be responsible for every patient...
.....

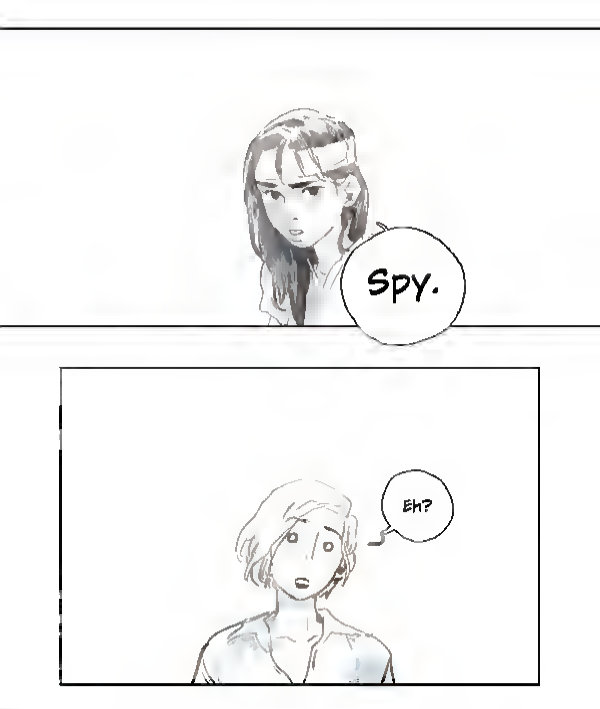


If you won't give me your guardian's information, then I must...
Dongchangan Street, Number 14.
My dad's work address,
you said you wanted to know.
?

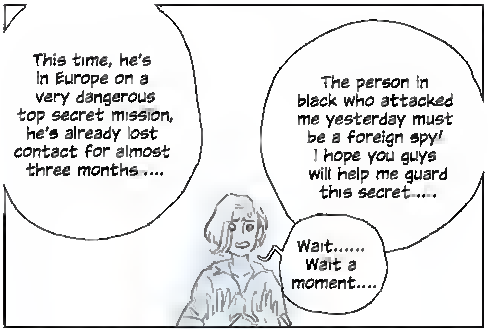
But it might be very hard to get a hold of him...
Most of the time he's on business overseas.



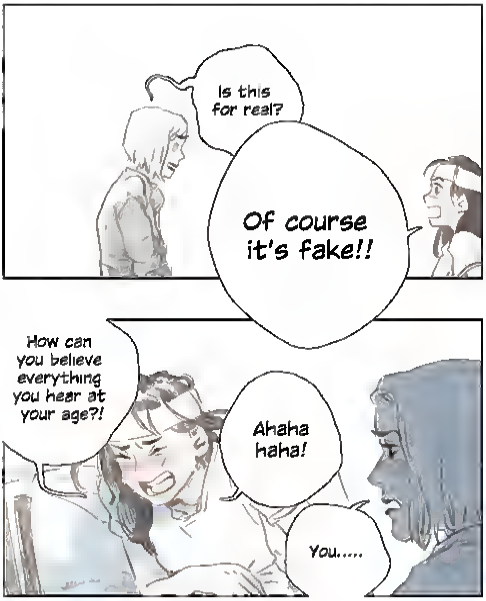
But, that's only his cover...
Actually, he's a...



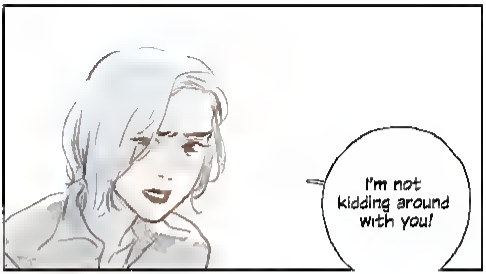
Spy.
EH?



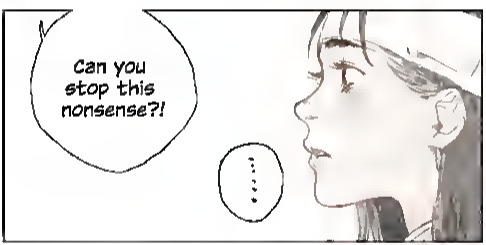
This time, he's in Europe on a very dangerous top secret mission, he's already lost contact for almost three months....
The person in black who attacked me yesterday must be a foreign spy! I hope you guys will help me guard this secret....
Wait..... Wait a moment....



Is this for real?
Of course it's fake!!
How can you believe everything you hear at your age?!
Ahaha haha!
You.....

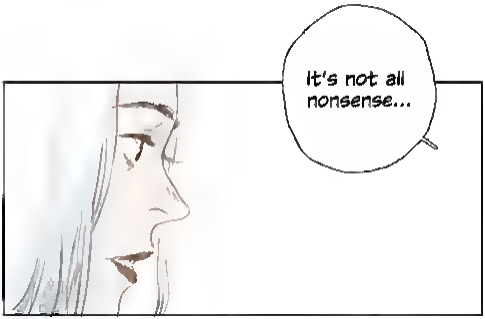


I'm not kidding around with you!



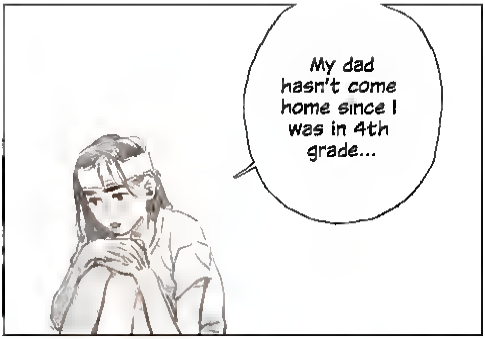
Can you stop this nonsense?!
.....

Actually...

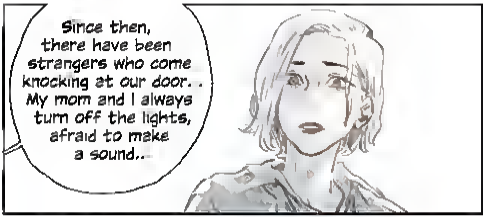


I really haven't seen him for a very very long time.....

@Jus-五王



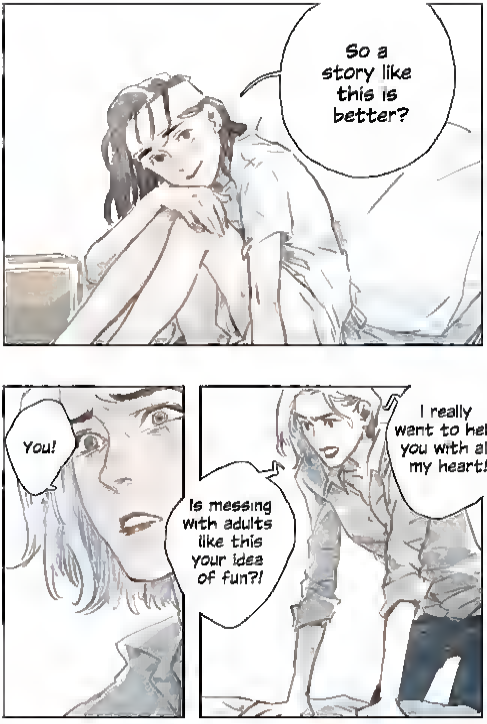
My dad hasn't come home since I was in 4th grade...



Since then, there have been strangers who come knocking at our door.. My mom and I always turn off the lights, afraid to make a sound..

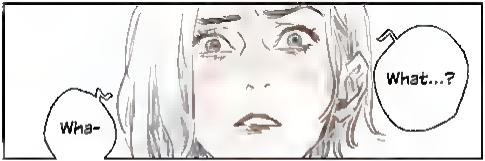
So I can't tell her that I'm hurt...
She already has it really hard, I don't want her to worry about me...
I'm sorry...
I had no idea it was like this...

If I can help you with anything just tell me...
pfft

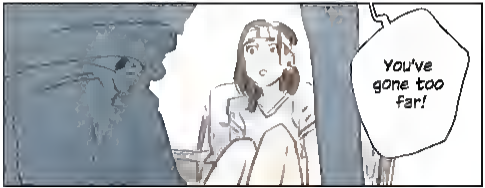


So a story like this is better?
You!
Is messing with adults like this your idea of fun?!
I really want to help you with all my heart!

But.....
I don't need your help.



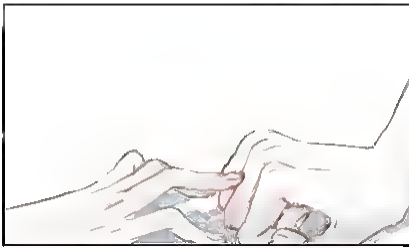
Wha-
What...?



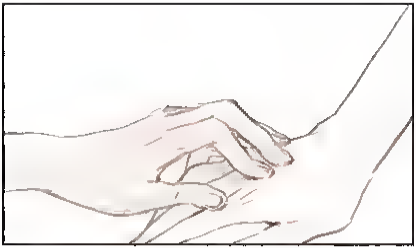
You've gone too far!

If you don't need my help, then why did you tell other people that you know me?
If you don't need my help then why did you come to my hospital?!

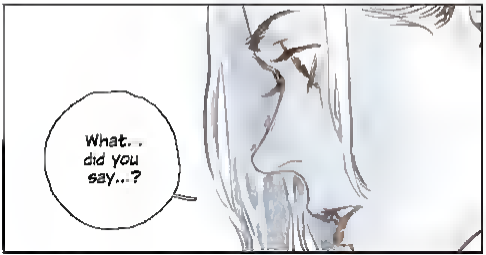
Because...



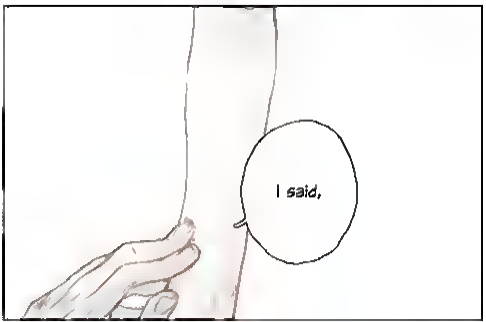
I wanted to see you.



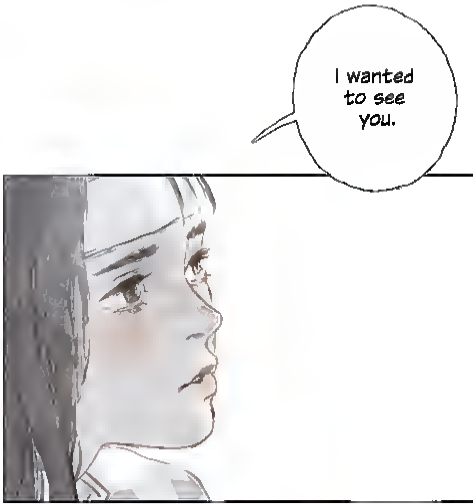
@Jdz-五主



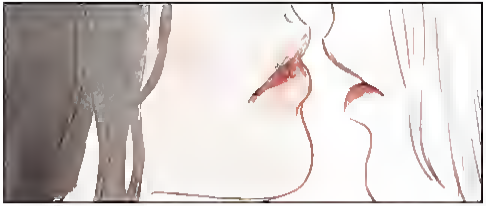
What. . did you say...?

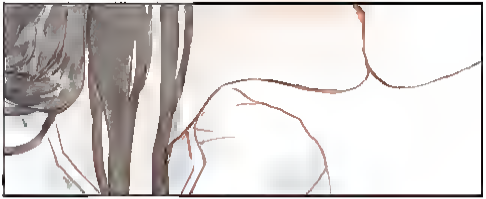


I said,



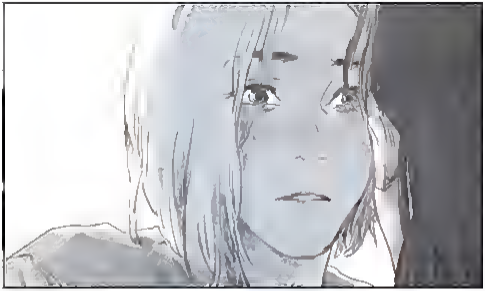
I wanted to see you.

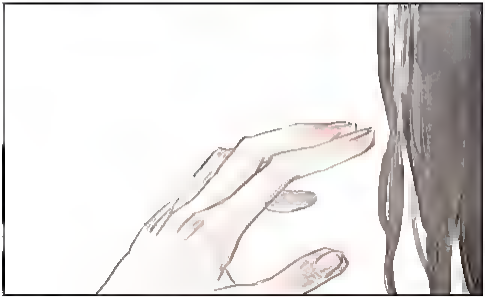




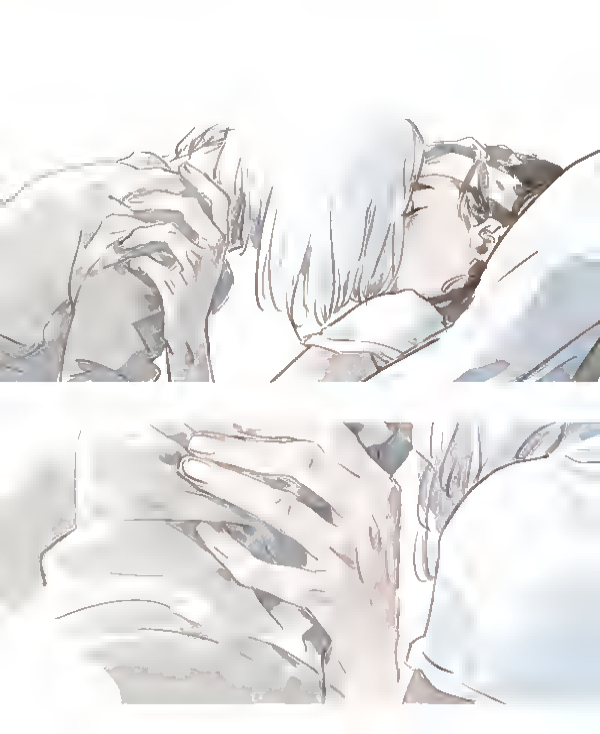
This time,

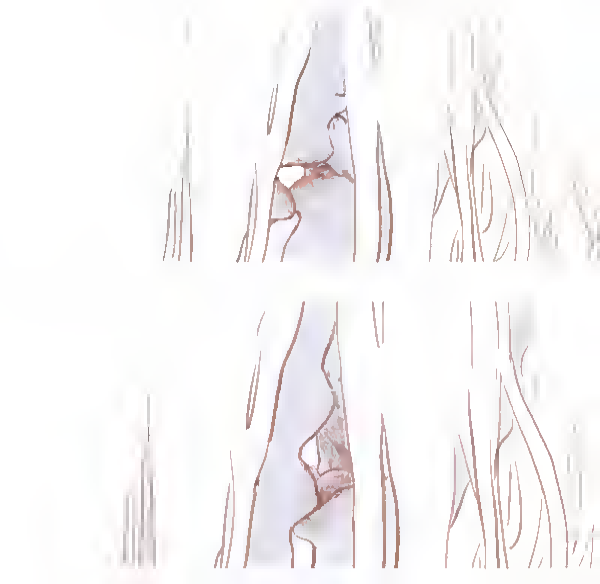
I'm not lying to you.



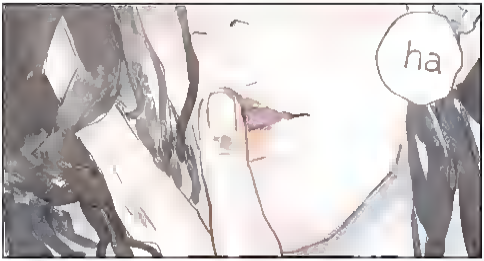


@Jdu-五宝





ha
ha



Whether it's the truth...

@Jue 五宝

Or a lie.....

@Jue 王宝

Is not important right now.....
